

# Financial Assistance Services

## Stefanie Spielman Comprehensive Breast Center (SSCBC)

---

At The Stefanie Spielman Comprehensive Breast Center, a Financial Counselor can help you:

- Understand your health insurance benefits, including co-pays, deductibles and covered services
- Learn about assistance programs if you do not have health insurance or if you are under insured
- Connect with hospital billing departments
- Enroll in Medicaid and give you information about how Medicaid works.
- Connect with a social worker and a medication assistance representative if you need help with costs of your care

You will be given information about your insurance benefits at your first visit at the SSCBC.

**If you are concerned about how you will pay for your care, we encourage you to talk with our Financial Counselor about payment options, assistance programs and other resources that may be available to you.**

---

This handout is for informational purposes only. Talk with your doctor or health care team if you have any questions about your care.
