

Applying the PreFab LSO Brace

Your doctor will tell you when to wear your brace during the day and for how long to wear it. Always wear a t-shirt under the brace to provide a barrier between your skin and the brace and to absorb perspiration.

Steps to Follow

1. Move to one side of the bed by:

- Using your arms and legs to move your hips over.

or

- Having a caregiver pull the drawsheet under you over to one side.

Isku Xiridda Qalabka 'PreFab LSO'

Dhakhtarkaaga ayaa kuu sheegi doona marka ay tahay inaad gashato xoojiyahaaga 'brace' maalintii iyo inta ay tahay inaad xirnaato. Mar kasta hoos ka xiro garanka 't-shirt' si aad u heshid wax u dhaxeeya maqaarkaaga iyo balaastiga 'brace' ka oo nuuga dhididka.

Tallaabooyinka la Raacayo

1. U durug dhinac sariirta ah adigoo:

- Isticmaalaya gacmahaaga iyo lugahaaga inaad ku dhaqaajiso miskahaaga.

Ama

- In qof xannaaneeya ihi uu go'a sariirta u jiido hal dhinac.

Applying the PreFab LSO Brace. Somali.

2. Roll to the opposite side of the bed almost onto your stomach:

- Bend both legs by sliding your heels toward your buttocks.
- Lower your knees and turn your hips and shoulders.

Do not twist! Roll like a log.

3. Open the straps and pull apart the Velcro panel on one side. Your caregiver should slide the back half of the brace under your side just above the hip bones and below the ribs. The tag should be at the top of the back of the brace.

4. Hold the back of the brace in place and log roll onto your back.

5. Position the front half of the brace:

- Velcro the side panel in place.
- Take a deep breath in and fully tighten the straps at bottom of brace on both sides.

- Take another deep breath in and fully tighten the straps at the top of the brace on both sides. The brace should be snug.

- Check to see that the brace is centered before getting up and adjust if needed.

2. Isu rog illaa xagga kale ee sariirta inta aad u jiifsaneyso caloosha:

- Soo lab labadaada lugood adigoo cirbahaaga u soo riixaya xagga baridaada.
- Hoos u dhig lowyadaada oo wareeji miskahaaga iyo garbahaaga. Ha weecin! Isu rog sida udubka.

3. Fur xarkaha oo dhinac ka fur marada isku dhagta ama 'Velcro'. Xannaaneeyahaaga waa inuu nuska dembe ee 'brace'ka geliyo dhinacaaga meel wax yar ka sarreeysa lafaha miskahaaga oo ka hooseysa feeraha. Calaamadu waa in ay noqotaa 'brace'ka xagiisa dambe.

4. 'Brace'ka ku hey meeshiisa oo sida udubka u duldulcood xagga dhabarka.

5. Nuska hore ee 'brace'ka ku hagaaji:

- Qeybta dhinaca ku dhaji halkeeda adigoo isticmaalaya ta laysku dhejiyo 'Velcro'ga.
- Hoos u qaado neef dheer oo buuxda, markaana ka xir xagga hoose ee 'brace'ka labada dhinacba.

- Hoos u qaado neef dheer oo kale oo si buuxda u xir xagga sare ee "brace"ka labada dhinacba. Waa in 'brace'ka la isku dhejiyaa.
- Hubi oo eeg in 'brace'ku ay isku aadan tahay ka hor inta aadan kicin, haddii loo baahdo hagaaji.

6. Getting out of bed:

- Log roll onto your side.
- Drop your legs over the side of the bed and push yourself up to a sitting position.

7. Getting into bed:

- Sit on the side of the bed and lean down on your elbow and forearm.
- Lift your legs up onto the bed, staying in the side-lying position.
- Log roll from your side onto your back.

Things to Remember

- Do not expect to be able to move in all directions or sit in all types of chairs. The brace is designed to limit certain motions and positions.
- If you have localized redness, call your doctor.

❖ **Talk to your doctor or others on your health care team if you have any questions. You may request more written information from the Library for Health Information at (614) 293-3707 or email: health-info@osu.edu.**

6. Ka deggidda sariirta:

- Sida udubka isu rog dhinaca.
- Lugahaaga u laalaadi dhinaca sariirta oo is-riix si aad u fariisatid.

7. Fuullidda sariirta:

- Ku fariiso dhinaca sariirta oo hoos ugu foorarso suxulkaaga iyo gacantaada.
- Sare u qaad lugahaaga xagga sariirta, adigoo xagga dhinac-ujjiifa.
- Sida udubka isugu rog xagga dhabarkaaga.

Waxyaalaha ay Tahay inaad Xasuusato

- Ha filanin inaad u dhaqaaqi kartid jiha kasta ama aad ku fariisan kartid nooc kasta oo kuraas ah. Xoojiyaha 'brace' waxa loo sameeyey inuu xadiddo dhaqdhaqaaqyada iyo boos-yada qaarkood.
- Haddaad isku aragto meel ku casaata, waxaad wacdaa dhakhtarkaaga.

❖ **La hadal dhakhtarkaaga ama ciddii kale ee ka tirsan kooxda daryeelka caafimaadkaaga haddii aad hayso su'aalo. Waxaad ka codsan kartaa macluumaad dheeraad ah oo qaoraal ah Maktabada Macluumaadka Caafimaadka (614) 293-3707 ama iimayka ah health-info@osu.edu.**
