Tongue Base Strengthening Exercises

The base of your tongue is key in making pressure to help you swallow. These exercises will strengthen and improve the movement of your tongue base. These exercises can help some people with swallowing problems.

- These exercises typically should not be done with any food in your mouth.
- Do these exercises _____ times each day as directed by your speech therapist or doctor.

Exercises

- Masako Maneuver

  Place the tip of your tongue between your front teeth or gums. Hold gently and swallow, keeping your tongue between your teeth or gums. It may feel awkward to swallow, but this will strengthen muscles in your throat.

  Repeat _____ times.
